ABOUT US

Select R8!Expect the extraordinary!

GUANGZHOU YINGYAOSHENG ELECTRONIC TECHNOLOGY LIMITED was founded in 1998, in GUANGDONG,CHINA.

YINGYAOSHENG's main products are produced and sold include MOUSE, KEYBOARD, HEADSET, MOUSE PAD AND OTHER COMPUTER ACCESSORIES. We established our own brand R8 in 2010. "Select R8,Expect the extraordinary " is the vision of YINGYAOSHENG.

R8 has received high evaluation from hundreds of well-known enterprises since it was established. A lot of successful business cases have been created through close and pleasant cooperation with us, thus huge commercial value is also brought to our customers.

With high quality in good price, special product design, diversified marketing methods and perfect pre / after-sales service system, our R8 products have been enjoyed warm markets in many overseas countries, especially in South America, Middle East, Europe and America.
